## Scenario Questions

A client is suffering from acute diarrhea and doesn't think that they can continue hiking. The remainder of the group is restless and complaining about the slow pace. How do you deal with this? There are two guides; would you split the group? Explain why.

You are at the campsite; everyone is sitting around the campfire. Two clients have brought a bottle of rum to the hike. They are in high spirits, telling stories and swearing excessively. Everyone seems to be laughing except for one client who looks on disdainfully. How would you react to this situation?

## Language Question

Describe la mejor caminata que hayas hecho.
